

Southeast Asia

Print and label this map or label the electronic version. Submit your final map to Canvas. For an extending mark use color and label all the requirements correctly.

1. Find and label the following bodies of water: Bay of Bengal, South China Sea, Philippine Sea, Indian Ocean, Pacific Ocean, Celebes Seas, Java Sea and the Andaman Sea

2. Label the equator.

3. There are 5 main rivers in Southeast Asia. They are important for transportation and farming in the area. Find, draw a blue line, and label by name the following 5 rivers. Irrawaddy, Salween, Chao Phraya, Mekong, and Red.

4. Circle the **Maylay Peninsula**. This includes Southeast Myanmar (Burma), southern Thailand, West Malaysia, and Singapore

5. Circle the **Indochina Peninsula**. This includes northern Myanmar (Burma), northern Thailand, Cambodia, Laos, and Vietnam

6. Find, shade, and label the following 11 countries with different colors and by name on the map below.

- Myanmar (Burma)
- Thailand
- Cambodia
- Laos
- Vietnam
- Philippines
- Malaysia (Label on the map insert also.)
- Indonesia (Label on map insert also.)
- East Timor
