

United States West of the Mississippi River

Label the map. Submit your final map to Canvas. For an extending mark use color and label all requirements correctly.

1. Mark and label the national capital Washington D.C. with a *.
2. Draw a blue line to represent each of the following rivers.
Label each river by name. Yukon, Mississippi, Colorado, Rio Grande, and Missouri
3. Label all states west of the Mississippi River with their 2-letter abbreviation.
4. Shade the "Great Plains" east of the Rocky Mountains, south into Texas, north into Canada, and east to the Missouri River.
5. Label the Rocky and Sierra Nevada Mountain Ranges with ^^^^ and their names.
6. Mark the following mountain peaks on the map by name and a triangle. Mt. Shasta, Mt. Whitney, and Mt. McKinley
7. Label the countries of Canada and Mexico.
8. Label the Pacific and Atlantic Oceans, and the Gulf of Mexico
