

## Western Europe

Print and label this map or label the electronic version. Submit your final map to Canvas. For an extending mark use color and label all the requirements correctly.

1. Label and shade or outline the following countries in Western Europe.  
Ireland, United Kingdom, France, Belgium, Netherlands, Germany, Liechtenstein, Luxembourg, Switzerland, Austria  
Label them by name and a star.
2. Find the capital for each of the countries in Western Europe.
3. The "United Kingdom" includes Northern Ireland, Scotland, and Wales.  
Draw a line to distinguish each of these sections of the United Kingdom.  
Label them by name.
4. Draw a blue line to represent the following rivers.  
Label the rivers by name.  
Thames, Loire, Rhone, Rhine, Danube, Elbe
5. Find and label the Irish Sea, the Celtic Sea, the North Sea, the Atlantic Ocean, and the English Channel
6. Find the Island of Corsica. Label the island by name.  
Make sure it is the same color as France.
7. Find and label the Swiss Alps and the Pyrenees Mountains with ^^^ and by name.
